RE: Degassification Amendment - Revisions to Add Degas Well G-7, Dugout Canyon Mine, Canyon Fuel Company, LLC, C/007/039, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

Attached please find four copies of an amendment which addresses the addition of Degas Well G-7. The well is south of well G-3 on the same road. Included with this information is a single copy of the 2004 raptor survey. Although a copy of the survey will be included in the 2004 Annual Report it has been provided in this submittal to facilitate ease of review. The copy can be thrown away once the review is completed.

The commitments for G-7 are identical to those for the other degas wells, therefore the text changes are minimal. Information specific to G-7 has been provided for inclusion into existing attachments. Three new figures were added to provide description of the pad site, other figures and drawings have been updated to include G-7. A photograph of the pad site has been included in Attachment 3-1.

A copy of this submittal has been delivered to the Price field office.

Thank you for your assistance and if you have any questions, please call me at (435) 636-2869.

Sincerely yours,

Vicky S. Miller
